

Alessandra Scandella

Descrizione

Alessandra lives in Milan working with watercolor for advertising and publishing.

In 2004 she co-founded Studio Container, in Milan, that deals with illustration, graphic design, web design, animation. Alessandra's watercolors appear at Triennale di Milano.

She works for Tod's and Bulgari and realized the illustrations for Lavazza Calendar, with photos by Steve Mc Curry. She made watercolors about human rights for Amnesty International and collaborates with FRI, Fashion Research Italy. She works for Corriere della Sera e L'Espresso. Alessandra keeps watercolor illustrations workshops. With other artists she founded IllustrAzioniincorso, that creates projects about art and publishing, with such clients as FAI and Unicef. Her most recent projects? To do watercolor animation.
